

PREFACE

MAPFRE Tepeyac S.A., hereinafter referred to as MAPFRE and the Contracting Party, have agreed upon the Coverages and the insured amounts that are covered in the Policy title page, in the knowledge that one or more basic Coverages and other supplementary Coverages can be chosen.

For the purposes of this contract, the concept of vehicle comprises the description in the Policy title page including the parts or accessories that the Manufacturer adapts originally to each model and specific type on the market. Any other part, accessory, sign, conversion or adaptation installed additionally and at the express request of the buyer or owner shall require specific coverage.

The risks that may be covered under this Policy are defined in the specification of Coverages that are listed below, contracting of which is indicated by the corresponding annotations in the Policy title page and/or specification, being subject to the maximum limits of liability mentioned therein.

MAPFRE and the Contracting Party agree that these General Conditions govern the insurance executed between them: Everything stipulated herein shall be applicable, and Mexican legislation shall apply to everything not stipulated. The Insured Vehicle shall be protected within the United Mexican States territory with the Coverages contracted throughout the valid term of the Policy specified in the title page to the same.

In case of accident or claim, call 01-800-02-663-58 or 01-800-02-665-51 from within Mexico (011-5255-5230-7000 ext. 2108 from a US cell phone).
